

These notes indicate that the knowledge base is empty and prompts you to add content to data/knowledge_base.txt. It seems to be a warning or reminder to populate the knowledge base with information before attempting to use it.

...

It would be great if you could share the specific content of the knowledge base (e.g., text file) so I can provide a more accurate and detailed summary if needed.

...

Let me know if there's anything else I can help you with!
